

Data Saves Lives

– let's use it better!

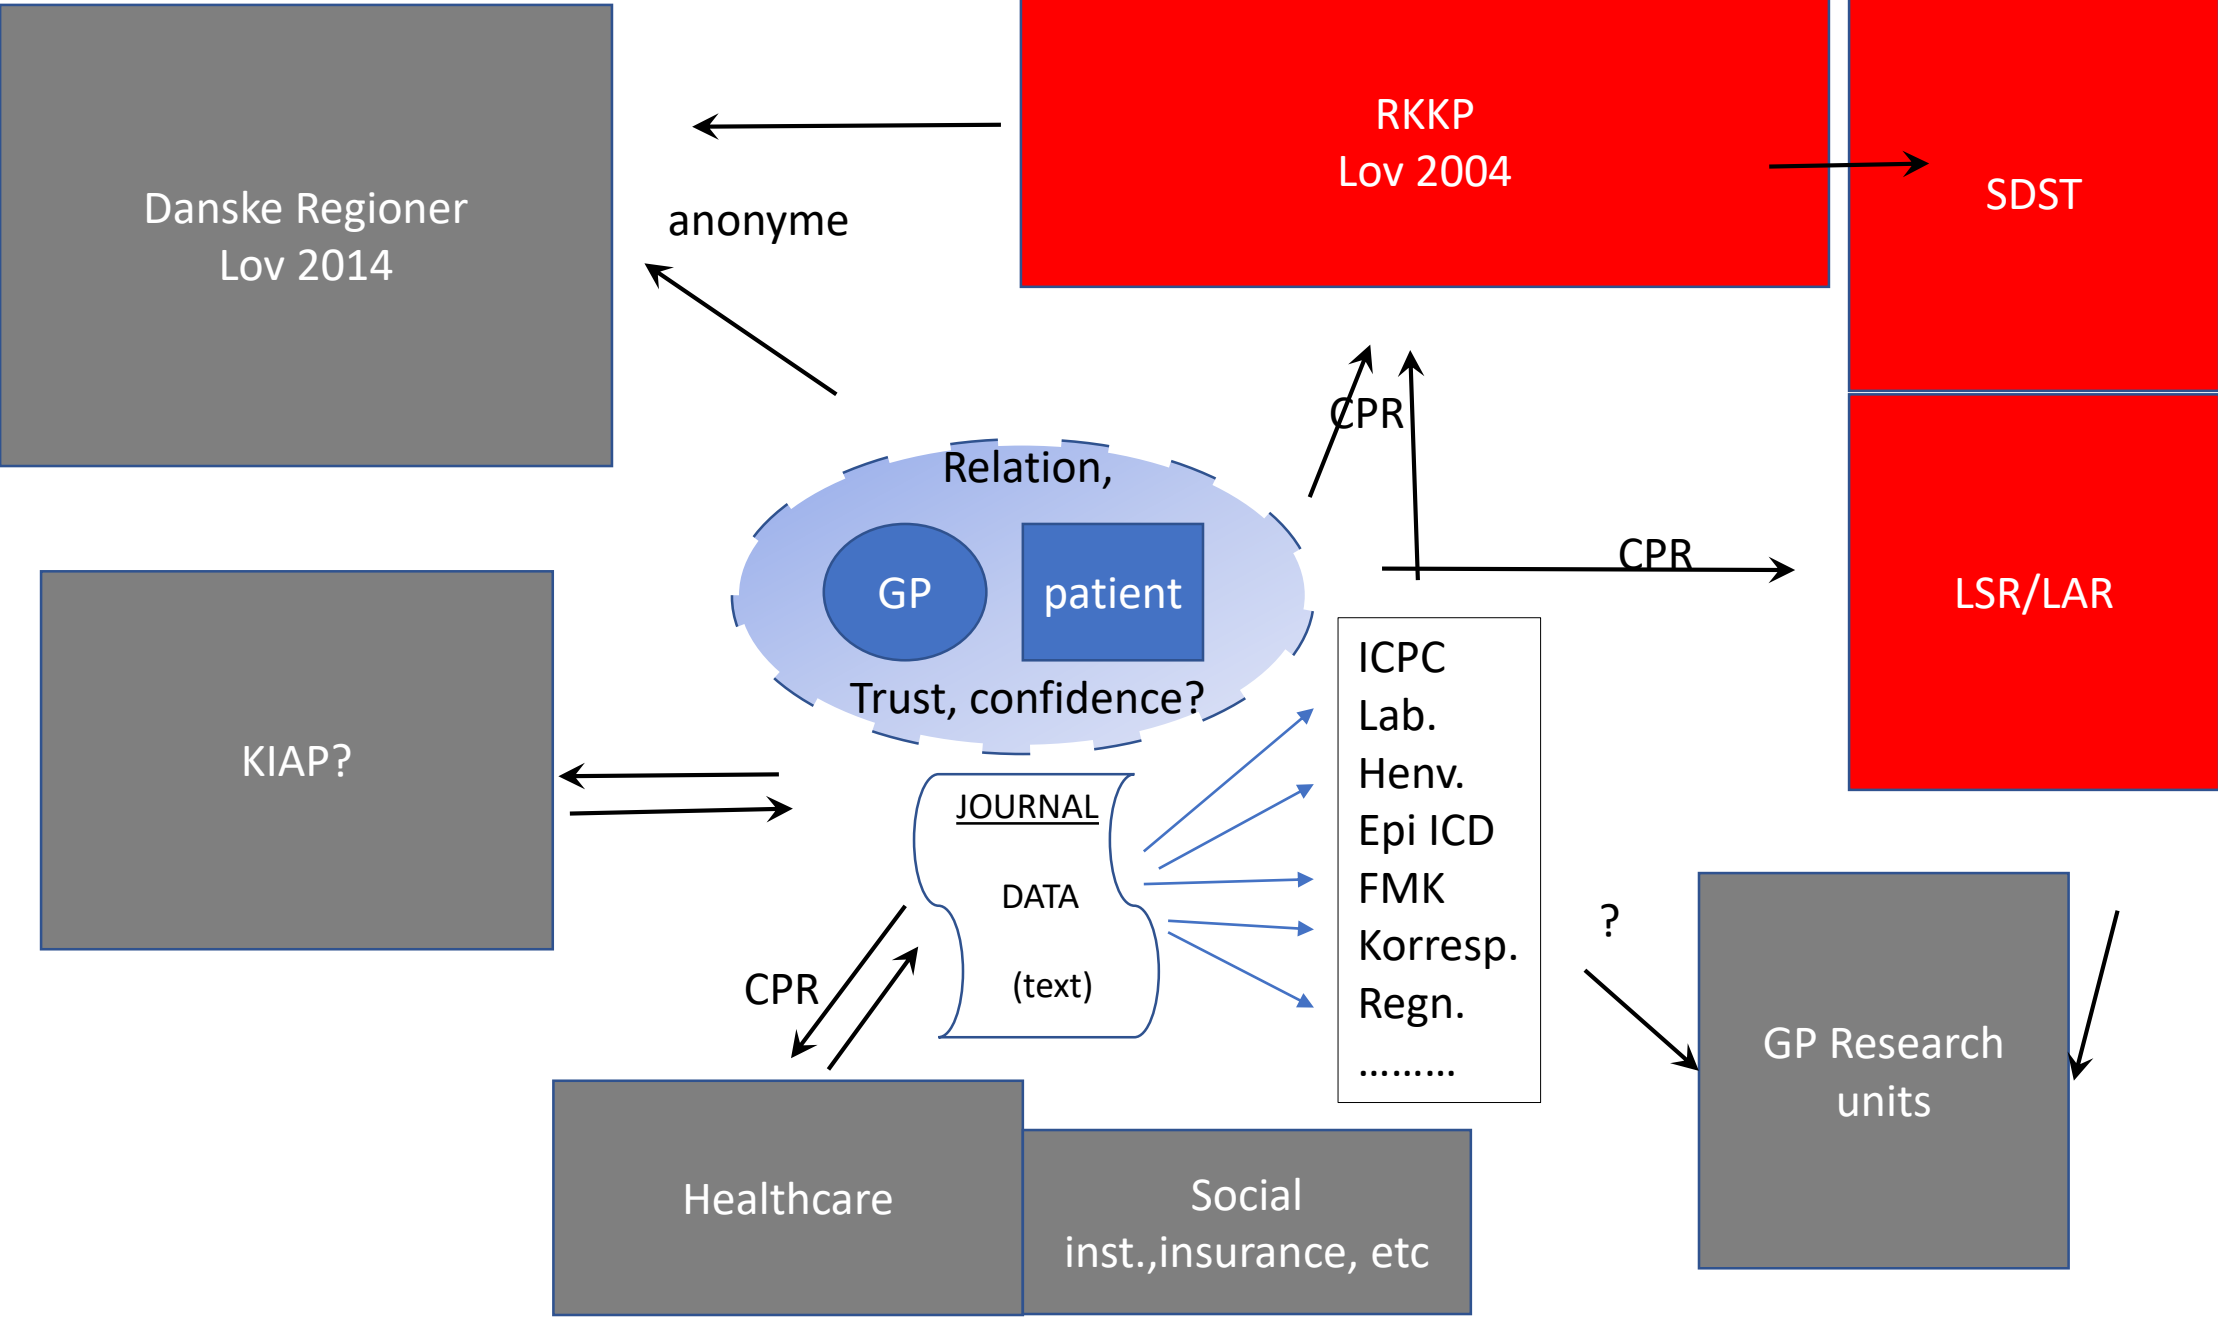

Copenhagen Health Tech
Clusters
Public and private partners
working together for better use
of health data

About Greater Copenhagen

- DATA saw all that they had made, and it was very good. And there was evening, and there was morning—the sixth day

Two questions to discuss

- How can we preserve some confidentiality in the relationship?
- What do we do to / (should we do more to) ensure that the patient has an idea of what is going on?
