

# NFGP EB Meeting on Thursday 11 April 2024 – 14:00-17:00 - agenda

1. Update on current situation in each Nordic country - each country to bring 1-2 “hot topics”.
2. NFGP cost distribution-key - a need for a revision? See attached overview and proposal ([appendix 1](#))
3. A new NFGP website - see attached paper on this ([appendix 2](#)). Can we agree on further steps? We will discuss a new website in more detail - and hopefully, we will agree on a solution that will be fine for NFGP and for all 5 colleges.
4. Proposal for a working group “Sustainability and value-based health care working group”. Roar will report from the preparatory group. See attached proposal ([appendix 3](#))
5. Estonia – participation at Nordic Leder seminars? See attached proposal from Marina Tuutma ([appendix 4](#))
6. Request about donations to collaborative fund (WONCA World) (Roar):
  - a. The FAV Project: It focuses on improving Family Physicians’ responses to Family Violence and Intimate Partner Violence (IPV)
  - b. Digital Health Training in General Practice/Family Medicine: It focuses on evaluating and enhancing the digital health literacy of Family Physicians globally.
7. Any other business.
